R.P.NO.329 OF 2007 IN
O.P.NO.31879 OF 2002

Dated this the 29th day of March, 2007

O R D E R

Raman,J.

Petitioners seek for review of the judgment of this Court dated 26/6/2006. The judgment dealt with elaborately various contentions put forth in the original petition. Though the learned counsel for the petitioners would contend that some of the aspects were not dealt with, no specific instances as such with reference to the judgment could be pointed out. The review is not an appeal or a petition for re-hearing. If any finding recorded in the impugned judgment is not correct in law, the remedy is to file an appeal therefrom. We are not satisfied that any grounds are made out within the parameters as prescribed for seeking the review. We are also not satisfied that there are any errors apparent on the face of the record calling for any review.

In the circumstances, the review petition is dismissed.

P.R.RAMAN,
Judge.

ANTONY DOMINIC,
Judge.
